MEMORANDUM FOR: BEVERLY COOK  
ASSISTANT SECRETARY  
ENVIRONMENT, SAFETY AND HEALTH

FROM: THOMAS S. RYDER *Thomas S. Ryder*  
ACTING DIRECTOR  
OFFICE OF INTELLIGENCE

SUBJECT: Annual National Environmental Policy Act (NEPA)  
Planning Summary - 2003

In accordance with Department of Energy Order 451.1B, National Environmental Policy Act Compliance program, the Office of Intelligence (IN) has reviewed its NEPA Program. We anticipate no new environmental assessments within the next 12 months or any environmental impact statements within the next 24 months.

In FY 2002, IN provided input to two NEPA actions and will continue to work with the DOE and NNSA Field Organizations and other program offices to ensure that applicable NEPA initiatives consider IN activities. Any unforeseen requirements will be coordinated with the appropriate field organization, as soon as recognized.

If there are any questions regarding the IN NEPA Planning Summary, please direct them to Michael C. Mazaleski, IN NEPA Compliance Officer, at 6-8718.
